home quality products

Plaisir was established in 1984 in Northern Greece in the high quality food and catering area.

In its privately owned facilities in Thessaloniki, Plaisir applies a set of hygiene and quality assurance standards (HAACP, ISO 22000:2005) in order to materialize a program of modernization and large amount of investments.

Plaisir supplies daily a network of 9 stores, some of which work with the method of franchising, with its products.

The company creates new flavors and recipes concentrating in the quality and the freshness of the ingredients that are selected and used. Plaisir offers a group of high quality catering services aiming to satisfy all the needs and demands of its customers. Furthermore the company is expanding and by exporting its products abroad with a fully skilled export Department.

The excellent quality products and services that the company offers together with its high qualified personnel gave to Plaisir a very competitive place both in Greek and international market.
